

Changing Frontel's Listening Port

1. Open the Frontel2\bin folder (default: C:\Frontel2\bin)
2. Find the file: Frontel.ini
3. Open the file with Notepad.
4. Add the string: ComServPort= <your port>

```
Frontel.ini - Notepad
File Edit Format View Help
[CONFIG]
DBEnabled=1
FXEnabled=0
CCEnabled=0
Language=eng
ComServPort=6831
```
